

# Manitoba Remote Learning Repository: Submission Form

We welcome teachers from across programs to share their resources created for a remote learning environment. The learning resources can be a work in progress. A team is available to work with you to finalize and post for others.

## Copyright Disclaimer

As these materials will be placed on a website that is available to the general public, as well as Manitoba teachers, please note that user rights provided to educators under the Fair Dealing Guidelines do not apply in this instance. It is important that submitted materials are free from potential copyright issues. Please check the following applicable boxes:

The submitted materials contain no copyrighted material.

The submitted materials contain copyrighted material used under a Creative Commons licence and proper attribution has been included.

The submitted materials contain copyrighted material used with permission from the copyright holder. Copies of the written permission have been included with the submission.

Please note that if you are submitting materials obtained through sites such as Teachers Pay Teachers, or other similar sites, you must ensure that you are allowed to share them publicly, based on the terms of the license that came with the materials.

## Submitting by Email

It is important to download this form, save it to your digital device, and complete it using Adobe Acrobat before you press SUBMIT.

I understand that my submission may be adapted or enhanced prior to inclusion in the Manitoba Remote Learning Repository. I will be credited for my contributions.

Thank you for your contribution.  
Someone will contact you shortly.
