

# COMMUNICATION SKILLS

**Strategy:** Language Development at Home Through Scavenger Hunts

**Audience:** Kindergarten to Grade 4

**What:**

- Language enrichment activities through outdoor play and life skills

**How:**

- Share the activity links below with families to facilitate growth in general language development

**Materials:**

Links to Teachers Pay Teachers Activities

- [Nature Scavenger Hunt](#)
- [Groceries and Language](#)
- [Life Skills and Language](#)
- [Scavenger Hunts for Language Skills](#)
- [Home Based Instruction Tools for Special Ed](#)

**Example:** click image to play the video

**Inclusive Practices to Consider:**

- Students with vision impairments may need text enlarged
- These activities may be completed with augmentative and alternative communication (AAC) devices with some support
- Non-readers may require support reading the activities
